Hi all,

This year's first meeting of the philosophy of mind discussion group will take place from 7-9pm on Monday September 9 in the sixth floor lounge at 5 Washington Place. We'll discuss "The Structure of Bias" by Gabrielle Johnson (Bersoff fellow at NYU). The paper is attached. Gabby will summarize for 10 minutes then we'll go to discussion.

If you're no longer in New York or would otherwise like to be removed from this list, let me know!
